We Act, formerly We Schools in Action, inspires a generation to care about social issues and provides the practical tools to turn that inspiration into action.

The We Schools in Action program inspires youth to care about social issues and provides the practical tools to turn that inspiration into action. Carrying out the energy and message of We Day, We Schools puts students at the forefront of active global citizenship by educating them on social issues and action planning, developing leadership skills and engaging them in world-changing action.

The We Schools in Action program increases student engagement in their school and community, and enables students to become active global citizens.
